EXPERIENCE

UX/UI DESIGNER

📍 London ENGLAND

ContentCal

📅 2017 • Contract

Redevelopment of Prop Store, a major website with millions of visitors

- Research and analyse websites and apps to see how others solve similar problems
- Sketches based on the «design sprint» method
- Design low to high fidelity wireframes and create prototypes via Invision
- Create visual designs using the Sketch tool

DIGITAL DESIGNER

📍 London ENGLAND

Research Now

📅 2016 • Work Fulltime

Rebranding development for Research Now (logotype, business card, letterhead, email signature, signage...)

Redesign of all the communication collateral for European markets (brochure, infographic, flyer, poster, facilities, advert...)

Working collaboratively as a part of a design studio with the EMEA marketing team

FREELANCER

📍 London ENGLAND

Kevin Quiec

DIGITAL DESIGNER

📍 Saint-Grégoire (35) FRANCE

Bretagne Gourmet

📅 2012 - 2013 • Qualification course

Redesign of bretagne-gourmet.com / Creation of Facebook page

Development of the visual identity (business card, letterhead, leaflet...)

SUMMARY

UX/UI designer who loves creating quality, sleek and highly personalised user interfaces. Through a broad professional experience, I've acquired a range of skills that make me immediately functional to work on digital projects. I am creative, organised and looking to join a team to which I can contribute significantly and where I can develop myself as a designer.
