Working collaboratively as a part of a design studio with the EMEA marketing team

### FREELANCER

Worldwide

#### Kevin Quiec

Since 2014

Building digital products on my free time

Starting my career in France

## SUMMARY

UX/UI designer who loves creating quality, sleek and highly personalised user interfaces. Through a broad professional experience, I've acquired a range of skills that make me immediately functional to work on digital projects. I am creative, organised and looking to join a team to which I can contribute significantly and where I can develop myself as a designer.

## LANGUAGES

FRENCH NATIVE

ENGLISH ADVANCED TOEIC 880/990
